## A Message from the MSO Board of Directors

Congratulations to all of the Michigan Senior Olympic athletes who participated in this year's games held in and around Oakland County. Hayes Jones, our Honorary Chairperson, along with the Local Organization Committee and MSO Board of Directors send their appreciation for your participation in the 2007 Olympic games and hope to see you next year. The 2008 State games will be the sanctioning event for the National Senior Games to be held in San Francisco, California in 2009.

We would like to thank the over 400 volunteers at this year's games. Without them we could not hold the games. The volunteers do many things at the games such as serve as MSO board members, Local Organizing Committee members, Event Commissioners, timers, scorekeepers, linemen, registration workers, Athlete Celebration dinner servers and many more that help make the games go as smoothly as possible.

We had over 800 athletes participate. One of the fun events was the Dinner and DanceSport competition held at the Royal Park Hotel. All 360 people who came out to enjoy the dinner and dance competition had a wonderful time.

MSO could not do anything with out our sponsors. Crittenton Hospital Medical Center was our platinum sponsor for 2007 and will again sponsor MSO for 2008. Please take the time to send them back a thank you note. Mail to: Lynn C. Orfan, President & CEO, 1101 W. University Dr., Rochester, MI 48307.

In 2007 the expense of umpires, referees, facilities, supplies, equipment, MSO staff time, printing, postage and advertising amounted to \$150,000. In 2008, as the games grow, so will the expenses. Your donation will make a difference and be greatly appreciated.

## Athlete's Pledge

I pledge to be the best athlete  
 I can be by preparing myself  
 for the contest to come.  
 I pledge to uphold the creed  
 of good sportsmanship by  
 applauding my  
 competitors' victories.  
 I pledge to compete with all  
 my heart so that when my  
 race is over I will have  
 finished with pride.

## History

Michigan Senior Olympics (MSO) was founded in 1979. MSO is dedicated to providing wellness opportunities for the 50 plus population. This is the foundation for all MSO endeavors. More specifically, Michigan Senior Olympics has focused on enhancing the quality of life for seniors by providing and developing programs in physical fitness, nutrition, mental strength, enhancing of sport skills, and health and wellness.

Michigan Senior Olympics initially channeled its efforts into implementing the annual Summer Senior Olympics Games. The first games were hosted by the City of Pontiac at the Pontiac Silverdome. In the years after, the games have traveled to Farmington Hills, Southfield, Battle Creek, Holland, Warren, Frankenmuth, Midland, Lansing and Kalamazoo. Oakland County will host the 2008 games. Participation in the games continues to rise with current athletes numbering over 1,000. The number of spectators has also risen dramatically over the last several years.

Michigan Senior Olympics chose Gaylord as the backdrop for the 2001 Inaugural Winter Olympic Games. With over fifteen winter events offered, these games saw a ten percent increase in participation in their second year. In 2008 Michigan Senior Olympics and Oakland County will host the "Oakland Edge" Hockey Tournament for men and women 35 and up.

As a 501 © (3) non-profit organization, Michigan Senior Olympics operates through the generosity of corporate sponsors who share in the MSO vision. Such forward thinking corporate leaders who share the vision and realize that the senior market is one the fastest growing markets and will continue to grow even larger in the future. Sponsors have not only supported the games but have taken the opportunity to support the MSO health & wellness clinics, sports instructional clinics, senior leadership programs and more. This allows the sponsor to support local programs that promote good nutrition and physical fitness habits in the community as well as programs that educate, encourage, and motivate 50 plus adults to participate and enhance their skills and quality of life.

Michigan Senior Olympics is dispelling the myths of aging as well as serving as the impetus for the 50 plus population continue to maintain a healthy body, mind, and spirit. The result is a healthier and more productive life for us all.

### **MSO VOLUNTEERS**

**Michigan Senior Olympics includes a dedicated group of volunteers. They range from games organizers, membership recruiters, public relations specialists, sports advisors, fund-raisers, office assistance, and more. The strong and active volunteer corps is a vital component of MSO and it's years of success. MSO could not survive without the generosity of all the people who volunteer throughout the year.**

## MSO Programs

Michigan Senior Olympics Inc. has been a leading advocate in the area of health, wellness, fitness, and nutrition for over 27 years. MSO has continually provided the mature adult population of Michigan with the information and opportunities to create or recreate a healthy, active lifestyle. The annual MSO games are an important part of the MSO program, but not the whole story.

MSO provides a number of programs to assist the 50 plus adult interested in advancing their quality of life. MSO provides programs in health, fitness, wellness, and nutrition; sports instruction; informational programs on a number of topics; a forum for local games organizers; tournaments and meets; “how-to” conferences; and advocacy.

### ◆ Board of Directors

The Michigan Senior Olympics Board of Directors is a non-paid group of dedicated volunteers. They have maintained MSO for its last 26-plus years, without paid staff for the first 16 years and with minimal staff since then. To say that the Board of Directors is a working board is an understatement they are the force that keeps the organization functioning and successful in all of its programs. The tireless efforts of these women and men, in the worthy cause of better lives for seniors, are awesome.

### ◆ Local Organizing Committee

The local organizing committee organizes the MSO statewide games. This team is made up of dedicated individuals, organizations, and business from the local community where the games are taking place. They are responsible for the overall games setup including securing the venues, recruiting games volunteers, arranging hotel accommodations, and much more. The committee usually operates for two years the length of time MSO games are traditionally held in one location.

### ◆ Local Games Coordinators

Local games are held at different locations throughout the state. Local games coordinators are the organizers of these community games. MSO is bringing local games coordinators together to exchange ideas and information. The goal is to have everyone working in the senior sports movement communicating and assisting each other to strengthen all of the programs.

### ◆ Ambassadors

MSO ambassadors are a group of athletes who serve as an information network throughout the state. Each ambassador represents his or her county. On a county wide basis, ambassadors promote the annual games, recruit members, serve as public relations liaisons, and more.

## Congratulations to all of our Michigan Athletes who competed in the 2007 National Senior Games in Louisville, KY!

**Local Tennis Players  
Capture the Gold!**

“If at first you don’t succeed, try, try again” is an old adage followed by local tennis players at the recent National Senior Games in Louisville, Ky. Carl Pacacha, Rochester Hills and Dick Rood, Troy defeated Oklahoma, defending champion, 6-4, 6-3.

Carl and Dick lost in the national finals in Virginia and Pennsylvania, 2003 and 2005 respectively. However they continued to improve their play which translated into victory in 2007.

### **Abe Ulanoff Wins Gold 90—94 1500 Race Walk Sets new Record**

Abe Ulanoff won the 1500 Race-walk in a record time of 12:28 beating the old record of 12:48. He also won a gold medal in the 5000 Racewalk. The last time Abe competed in the Nationals, he set the 85-89 record in the 1500 Racewalk.

Ulanoff competes “just to keep healthy. To go out there and do something instead of sitting around and watch TV.”
