have taken place.

MESSAGE FROM THE MSO BOARD OF DIRECTORS

The 2011 Summer games were definitely different this year. They were scheduled in May, thinking it wouldn't make for too much difference, but unfortunately it did. Many athletes missed the registration completely, some were not prepared training wise, and the weather was not conducive to those dates. In 2012, the games are scheduled for June 9-17th with Oakland University serving as the home of MSO.

On a positive note, despite low attendance, there were many athletes who took advantage of the games and used them as a training tool for Nationals in Houston. Many broke state records and brought friends and family with them as supporters. As always, there are many to thank for this year's success, from the sponsors and volunteers, to the sports coordinators and the Local Organizing Committee.

Jay Zammit, an Ironman Triathlete, was the guest speaker at the Celebration of Athletes dinner; he gave an inspiring talk that was enjoyed by all. Thank you to Sharon Hunt, Waterford Parks and Recreation, for adding a bonus to the Celebration of Athletes dinner by the passing of the Olympic Torch. It really gave meaning to what being an Olympic athlete is and what MSO is all about.

MSO finished the 2010 year in the financial red, and although we have caught up currently, we still need to do more fundraising and secure sponsors, or we are going to be back in the red at the end of 2011. If we do reach that point the only solution would be to raise the prices to enter the games, which might hurt athlete participation. We urge you to care enough to help support this organization and help keep costs down so that everyone may join no matter their financial situation.

You can help support us by encouraging friends to become members, even if they are not athletes. Find sponsors such as your dentist, doctor, local businesses, or any other club/organization. It takes team work, and if we all pull together we can make MSO the organization it should be. Offering quality programs and games to those over the age of 50 in the State of Michigan!

See you in 2012, a qualifying year for the 2013 Nationals in Cleveland. It may be a short enough distance for many to drive there!!!

Due to limited staff and budget constraints, MSO is transitioning to a paperless means of communication. Please be sure to check your email and make sure that your settings allow your email to receive messages sent from the MSO office. Also check your junk/spam mailbox to make sure that our emails aren't being redirected from your inbox

In 2012, most of the information that you will receive will be via email so **please keep your information updated with our office.**

The Website and the MSO Facebook page are also ways in which you can communicate with us.

Athletes Corner

Stephen Tye is a new athlete in 2011. He participated in golf, winning a silver medal and the Triathlon, placing 5th. At the Celebration of Athletes dinner he told everyone how much he appreciated MSO and what it had done for him, since starting training for the games he has lost weight and is stronger and healthier.

We need more Stephen Tye's!

Racewalk One of the 5K athletes competed on a very hot day. She told the officials that she was finishing cancer treatments and her oncologist gave her the go ahead to compete. We all admired her that day especially when she told us that it had restored hope for her. She was so happy to finish that race. It was a great day!

Great loss: This summer we have lost three of our athletes who participated in MSO for a number of years and were known to mentor and encourage other athletes. Our thoughts and prayers go out to the family and friends of James Bryant, Louis Monacelli and James Elliott.

We welcome your ideas and thoughts for the News and Views.

National Senior Games

Qualifying

To qualify for the National Senior Games, to be held in Cleveland, in 2013, you must participate in a state game. The National Senior Games Association (NSGA) determines the qualifying sites and rules for every sport. You can find the rules for the sport on the NSGA web site www.nsga.com. Each state's qualifying game must follow the rules set by NSGA. The state games must send to NSGA all eligible qualifiers from their games as stated by NSGA (Medal, Time, Distance etc.)

The NSGA is the only organization that can change the rules of your sport. If you are an athlete that would like to see changes made, I would suggest sending them to **NSGA, 8919 World Ministry Ave, Baton Rouge, LA 70810** and then send us a copy. I am on the National Board and will always try to help make changes or add sports if possible. The procedure for requesting a sport and/or event be added to the National Games may be found in the 2009 National Senior Games Rule Book, Rule Q (page 10). Michigan has been instrumental in adding team sports; volleyball was the only team sport the first year of the games.

MSO Needs You!

Michigan Senior Olympics includes a dedicated group of volunteers. They range from game organizers, membership recruiters, public relations specialists, sports advisors, fund-raisers, office assistance, web design and more. MSO could not survive without the generosity of all the people who volunteer throughout the year.

MSO is also looking for scorekeepers, timers, etc., for the *Winter Games Festival* to be held January 30—February 1, 2012.

Please call 248-608-0267 or email volunteer@michiganseniorolympics.org if you would like to volunteer.
