QUALIFICATIONS FOR NATIONALS

A one-time adjustment to the qualification process for the 2021 National Senior Games has been made in response to the Coronavirus pandemic. **ADJUSTED QUALIFICATION.** If a state qualifying senior games is **ABLE** to conduct Games or specific sports/events in 2020, the qualification standards for the sports/events as specified in the 2021 NSGA Rulebook will determine qualifiers.

In addition athletes from that state's senior games who qualified for the 2019 National Senior Games in Albuquerque, NM will also qualify in the respective sports/events for the National Senior Games in 2021 (i.e., qualifiers from 2018 respective sports/events from that state's senior games). If a state qualifying senior games is **UNABLE** to conduct Games or specific sports/events in 2020, athletes from that state's senior games who qualified for the 2017 National Senior Games in Birmingham, AL and/or 2019 National Senior Games in Albuquerque, NM will qualify in the respective sports/events for the 2021 National Senior Games (i.e., qualifiers from 2016 and/or 2018 respective sports/events from that state's senior games). **CHANGE IN TEAM ROSTER**

ADDITIONS. Due to the adjusted qualification process for 2021 the number of roster additions will be waived. **CHANGE IN POWER WALK QUALIFICATION.** Power Walk will continue as an Open Sport for the 2021 National Senior Games presented by Humana. Qualification will not be required for Power Walk. **ADJUSTED REGISTRATION.** For qualified athletes a Priority Registration Period will be offered which will be followed by an Open Registration Period. The Open Registration Period will accommodate athletes age 50+ as of December 31, 2020, unable to attend or qualify at a state senior games in 2020. The number of registrants may be limited for certain sports.

This Summer was quite different from any other. The world seemed like it came to a complete stop and no one really knew what was going to happen in March. Maybe after April, then maybe we would know after May, maybe at the end of June, then we saw a spark of hope in July. Here at the Michigan Senior Olympics, uncertain times was an understatement! We gathered on Zoom calls with the National Senior Games to hear what the other State Games around the country were predicting for their summer games, a lot of them were cancelled.

Many phone calls were made to venues, officials, athletes who were also working from their homes because everything was closed. What was to become of the Summer games? After a lot of consideration for each individual sport, looking at budgets, and consulting with the MSO Board of Directors, decisions had to be made.

With great excitement some of the games were able to be held –we had a venue, coordinators, and enough athletes to hold them outside following all the CDC guidelines, and with great sadness some of them could not be held this summer.

Here we are in November 2020. As you look through the result book, you will see that we still had wonderful sponsors who supported the summer games and there were still a lot of athletes who competed in them virtually or in person. Here in Michigan there is still a lot we do not know, but what we do know is that there are companies and people who want to stay involved and active in the Michigan Senior Olympics and for that we are very thankful for you all during the Summer of 2020!
